

IFPRI PUBLICATIONS AND PAPERS ON  
SUSTAINABLE LAND MANAGEMENT IN UGANDA

**Books**

Pender, J., F. Place, S. Ehui (eds.). 2006. *Strategies for Sustainable Land Management in the East African Highlands*. IFPRI, Washington, D.C.

**Research Reports**

Nkonya, P., J. Pender, P. Jagger, D. Sserunkuuma, C.K. Kaizzi, H. Ssali. 2004. Strategies for sustainable land management and poverty reduction in Uganda. Research Report No. 133. Washington, DC: International Food Policy Research Institute.

**Journal Articles**

Nkonya, E., C.K. Kaizzi, and J. Pender. 2005. Determinants of nutrient balances in maize farming system in eastern Uganda. *Agricultural Systems* 85(2): 155-182.

Nkonya, E., J. Pender, and E. Kato. Forthcoming. Who knows, who cares? The determinants of enactment, awareness and compliance with community natural resource management regulations in Uganda. *Environment and Development Economics*.

Pender, J. 2004. Development pathways for hillsides and highlands: some lessons from Central America and East Africa. *Food Policy* 29: 339-367.

Pender, J., P. Jagger, E. Nkonya and D. Sserunkuuma. 2004. Development pathways and land management in Uganda. *World Development* 32(5): 767-792.

Pender, J., E. Nkonya, P. Jagger, D. Sserunkuuma, and H. Ssali. 2004. Strategies to increase agricultural productivity and reduce land degradation: evidence from Uganda. *Agricultural Economics* 31(2/3): 181-195.

**Book Chapters**

Delve, R. and J. Ramisch. 2006. Land management options in western Kenya and eastern Uganda. In: J. Pender, F. Place, and S. Ehui (eds.). *Strategies for Sustainable Land Management in the East African Highlands*. International Food Policy Research Institute, Washington, D.C.

Jagger, P. and J. Pender. 2006. Impacts of programs and organizations on the adoption of sustainable land management technologies in Uganda. In: Pender, J., Place, F., and

Ehui, S. (eds.), *Strategies for Sustainable Land Management in the East African Highlands*. IFPRI, Washington, D.C.

Pender, J. 2004. Econometric Methods for Measuring Natural Resource Management Impacts: Theoretical Issues and Illustrations from Uganda. In: B. Shiferaw, H.A. Freeman, and S. Swinton (eds.), *Natural Resource Management in Agriculture: Methods for Assessing Economic and Environmental Impacts*, CAB International.

Pender, J., E. Nkonya, P. Jagger, D. Sserunkuuma, and H. Ssali. 2004. Strategies to increase agricultural productivity and reduce land degradation in Uganda: an econometric analysis. In: Pender, J., Place, F., and Ehui, S. (eds.), *Strategies for Sustainable Land Management in the East African Highlands*. IFPRI, Washington, D.C.

Pender, J., F. Place, and S. Ehui. 1999. Strategies for sustainable agricultural development in the East African Highlands. In: A. Knox McCullough, S. Babu, and P. Hazell (eds.), *Strategies for Poverty Alleviation and Sustainable Resource Management in the Fragile Lands of Sub-Saharan Africa*. Proceedings of the International Conference held from 25-29 May, 1998 in Entebbe, Uganda. Food and Agriculture Development Centre (DSE/ZEL), Feldafing, Germany.

Pender, J., F. Place, and S. Ehui. 2006. Strategies for sustainable land management in the East African highlands: conclusions and implications. In: Pender, J., Place, F., and Ehui, S. (eds.), *Strategies for Sustainable Land Management in the East African Highlands*. IFPRI, Washington, D.C.

Place, F., J. Pender, and S. Ehui. 2006. Key issues for the sustainable development of smallholder agriculture in the East African highlands. In: J. Pender, F. Place, and S. Ehui (eds.). *Strategies for Sustainable Land Management in the East African Highlands*. International Food Policy Research Institute, Washington, D.C.

Woelcke, J., T. Berger, and S. Park. 2006. Sustainable land management and technology adoption in eastern Uganda. In: J. Pender, F. Place, and S. Ehui (eds.). *Strategies for Sustainable Land Management in the East African Highlands*. International Food Policy Research Institute, Washington, D.C.

### **Peer-Reviewed Discussion Papers**

Jagger, P. and J. Pender. 2003. Impacts of programs and organizations on the adoption of sustainable land management technologies in Uganda. Environment and Production Technology Division Discussion Paper No. 101, Washington, DC: International Food Policy Research Institute.

Nkonya, E., J. Pender, C. Kaizzi, K. Edward, S. Mugarura. 2005. Policy options for increasing crop productivity and reducing soil nutrient depletion and poverty in Uganda. Environment and Production Technology Division Discussion Paper No. 134, Washington, D.C.: International Food Policy Research Institute.

Nkonya, E., J. Pender, E. Kato, S. Mugarura, J. Muwonge. 2005. Who knows, who cares? Determinants of enactment, awareness and compliance with community natural resource management bylaws in Uganda. CAPRI Working Paper No. 41, Washington, DC: International Food Policy Research Institute.

Pender, J., P. Jagger, E. Nkonya, and D. Sserunkuuma. 2001. Development pathways and land management in Uganda: Causes and implications. Environment and Production Technology Division Discussion Paper No. 85, IFPRI, Washington, D.C.

Pender, J., E. Nkonya, P. Jagger and D. Sserunkuuma. 2003. An econometric approach to NRM impact assessment: an example from Uganda. In B. Shiferaw and H.A. Freeman (Eds.), *Methods for Assessing the Impacts of Natural Resource Management Research*. Summary of proceedings of the ICRISAT-NCAP/ICAR Workshop, December 6-7, 2002, International Crops Research Institute for the Semi-Arid Tropics, Patancheru, India.

Pender, J., F. Place, and S. Ehui. 1999. Strategies for sustainable agricultural development in the East African highlands. Environment and Production Technology Division Discussion Paper No. 41, IFPRI, Washington, D.C.

Pender, J., S. Ssewanyana, K. Edward, and E. Nkonya. 2004. Linkages between poverty and land management in rural Uganda: evidence from the Uganda National Household Survey, 1999/2000. Environment and Production Technology Division Discussion Paper No. 122, International Food Policy Research Institute, Washington, D.C.

Rücker, G.R., S. Park, H. Ssali, and J. Pender. 2003. Strategic targeting of development policies to a complex region: a GIS-based stratification applied to Uganda. ZEF-Discussion Papers on Development Policy No. 69, Center for Development Research (ZEF), Bonn.

### **Workshop Proceedings Papers and Summaries**

Benin, S., J. Pender and S. Ehui. 2002. Policies for sustainable land management in the East African highlands. Summary of papers and proceedings of the conference held at the United Nations Economic Commission for Africa, Addis Ababa, Ethiopia, April 24-26. Environment and Production Technology Division Workshop Summary Paper No. 13, IFPRI, Washington, D.C., and ILRI Socioeconomics and Policy Working Paper No. 50., Addis Ababa, Ethiopia.

Ehui, S. and J. Pender. 2005. Resource degradation, low agricultural productivity and poverty in sub-Saharan Africa: pathways out of the spiral. In D. Colman and N. Vink (Eds.), *Proceedings of the Twenty-Fifth International Conference of Agricultural Economists*, Durban, South Africa, 2003. International Association of Agricultural Economists, Blackwell Publishing.

Jagger, P. and J. Pender, eds. 2001. Policies for improved land management in Uganda. Summary of papers and proceedings of a workshop held at Hotel Africana, Kampala, Uganda, 25 and 27 June 2001. IFPRI Environment and Production Technology Division Workshop Summary Paper No. 10.

Nkonya, E., D. Sserunkuuma, and J. Pender. 2002. Policies for improved land management in Uganda: Second national workshop. Environment and Production Technology Division Workshop Summary Paper No. 12, Washington, DC: International Food Policy Research Institute.

### **Policy Briefs and Newspaper Articles**

International Food Policy Research Institute (IFPRI). 2001. Pathways and policies: Successful strategies for less-favored lands. *The East African*, August 27-Sept. 2.

Nkonya, E.M. and J. Pender. 2003. Strategies for sustainable land management in Uganda. Sustainable Development of Less Favored Lands Policy Brief No. 1, IFPRI Washington DC.

Pender, J. 2000. Development strategies for the East African highlands. Brief 7 in J. Pender and P. Hazell, eds., *Promoting Sustainable Development in Less-Favored Areas*. 2020 Vision Focus 4. International Food Policy Research Institute, Washington, D.C.

Pender, J. and E. Nkonya. 2004. Linkages between poverty and land management in rural Uganda. Sustainable Development of Less Favored Lands Policy Brief No. 2, IFPRI Washington DC.

Pender, J. and E. Nkonya. 2004. Community natural resource management and its linkage to poverty in Uganda. Sustainable Development of Less Favored Lands Policy Brief No. 3, IFPRI Washington DC.

Pender, J. and E. Nkonya. 2004. Reducing soil nutrient depletion, increasing agricultural productivity and reducing poverty in Uganda. Sustainable Development of Less Favored Lands Policy Brief No. 4, IFPRI Washington DC.

### **Other Papers**

Agricultural Policy Secretariat (APSEC) of Uganda. 2000. Characterization of policies and institutions affecting land management. APSEC, Kampala, Uganda. Mimeo. (Presented at National Workshop on Policies for Improved Land Management in Uganda, Kampala, June 2001).

Ahmed, M., P. Preckel and S. Ehui. 2002. Credit policy and intensification in mixed crop-livestock systems: A modeling perspective. Paper presented at the Conference on

Policies for Sustainable Land Management in the East African Highlands, UNECA, Addis Ababa, April 24-26, 2002. Mimeo.

Akello, G. 2002. The role of micro-credit in addressing land degradation in Uganda. Paper presented at the Conference on Policies for Sustainable Land Management in the East African Highlands, UNECA, Addis Ababa, April 24-26, 2002. Mimeo.

Babigumira, R. 2002. Potentials and constraints to coffee development: Aiding the coffee replanting program. Paper presented at the second National Workshop on Policies for Improved Land Management in Uganda, Africana Hotel, Kampala, April 17-18, 2002. Mimeo.

Bashaasha, B. 2000. The evolution and characteristics of farming systems in Uganda. Makerere University, Department of Agricultural Economics, Kampala, Uganda. Mimeo. (Presented at National Workshop on Policies for Improved Land Management in Uganda, Kampala, June 2001).

Benin, S., E. Nkonya, G. Okecho, J. Pender, S. Nahdy, S. Mugarura, E. Kato, and G. Kayoby. 2006. Assessing the impact of the National Agricultural Advisory Services (NAADS) on Uganda rural livelihoods. Under review as an IFPRI Discussion Paper. Washington, D.C.: International Food Policy Research Institute.

Brunner, A., G. Ruecker, S. Park, and P. Vlek. 2002. Modelling approach to identify sustainable land management techniques on erosion-affected slopes. Paper presented at the second National Workshop on Policies for Improved Land Management in Uganda, Africana Hotel, Kampala, April 17-18, 2002. Mimeo.

Kaizzi, C.K., H. Ssali, A. Nansamba and P. Vlek. 2002. The potential benefit of velvet bean (*mucuna pruriens*) and N-fertilizers in maize production on contrasting soils in Uganda. Paper presented at the Conference on Policies for Sustainable Land Management in the East African Highlands, UNECA, Addis Ababa, April 24-26, 2002; at the second National Workshop on Policies for Improved Land Management in Uganda, Africana Hotel, Kampala, April 17-18, 2002; and at the IFPRI-Wageningen University seminar on Development Strategies for Less-Favoured Areas, De Branding, The Netherlands, July 12-13, 2002.

Kato, E. and E. Nkonya. 2001. Information asymmetry among output traders, processors and farmers in Uganda, and IFPRI's experiences in agricultural marketing data collection. Paper presented at the second National Workshop on Policies for Improved Land Management in Uganda, Africana Hotel, Kampala, April 17-18, 2002, and the workshop on Sustainability of Farm Household Information Systems for Improved Livelihoods and Reduced Hunger at the United Nations Food and Agriculture Organization, Rome Italy, December 4-7, 2001. Available at: <http://www.fao.org/waicent/faoinfo/agricult/ags/AGSP/>

Kisamba-Mugerwa, W., J. Pender and K. Edward. 2006. Impacts of individualization of land tenure on livestock and rangeland management in southwestern Uganda. Under revision as a CAPRI Working Paper. Washington, D.C.: International Food Policy Research Institute.

Nagujja, S. 2002. The relationship between socio-economic characteristics of maize farmers and household food security in eastern Uganda. Paper presented at the second National Workshop on Policies for Improved Land Management in Uganda, Africana Hotel, Kampala, April 17-18, 2002. Mimeo.

Nkonya, E. 2002a. Ugandan crop market development: Characteristics, constraints and opportunities. Paper presented at the second National Workshop on Policies for Improved Land Management in Uganda, Africana Hotel, Kampala, April 17-18, 2002, and at the Uganda Agricultural Economics Association meeting, Makerere University, March 22, 2002.

Nkonya, E. 2002b. Soil conservation practices and non-agricultural activities in the southwestern highlands of Uganda. Paper presented at the second National Workshop on Policies for Improved Land Management in Uganda, Africana Hotel, Kampala, April 17-18, 2002. Mimeo.

Nkonya, E. 2001. Bean marketing in Uganda: Constraints and opportunities. IFPRI, Environment and Production Technology Division, Washington, D.C. Mimeo. (Presented at the Pan African Bean Research Alliance Millennium Synthesis, May 28-June 1, 2001, Arusha, Tanzania).

Nkonya, E. and E. Kato. 2001. Agricultural input marketing in Uganda. IFPRI, Environment and Production Technology Division, Washington, D.C. Mimeo. (Presented at National Workshop on Policies for Improved Land Management in Uganda, Kampala, June 2001).

Nkonya, E., J. Pender, C. Kaizzi, E. Kato, S. Mugarura, H. Ssali, and J. Muwonge. 2006. Natural resource management and its linkage to poverty in Uganda. IFPRI Research Report Manuscript under review with the Publications Review Committee. Washington, D.C.: International Food Policy Research Institute.

Pender, J. 2002b. Development pathways and outcomes in Uganda: Results of a factor analysis. Paper presented at the Wageningen University and IFPRI seminar on Development Strategies for Less-Favored Areas, De Branding Conference Center, Doorwerth, The Netherlands, July 12-13, 2002. Mimeo.

Pender, J., P. Jagger, E. Nkonya, and K. Edward. 2004. Livelihood and land use options in northwestern Uganda. Project deliverable to USAID/Uganda for the Strategic Criteria for Rural Investments in Productivity (SCRIP) project.

Rashid, S. 2002. Dynamics of maize market integration in post-liberalized Uganda. Paper presented at the Conference on Policies for Sustainable Land Management in the East African Highlands, UNECA, Addis Ababa, April 24-26, 2002, and at the second National Workshop on Policies for Improved Land Management in Uganda, Africana Hotel, Kampala, April 17-18, 2002. Mimeo.

Ssali, H. 2001. Soil organic matter and its relationship to soil fertility changes in Uganda. Paper presented at the Conference on Policies for Sustainable Land Management in the East African Highlands, UNECA, Addis Ababa, April 24-26, 2002; at the second National Workshop on Policies for Improved Land Management in Uganda, Africana Hotel, Kampala, April 17-18, 2002; and at the IFPRI-Wageningen University seminar on Development Strategies for Less-Favoured Areas, De Branding, The Netherlands, July 12-13, 2002.

Ssali, H. 2000. Soil resources of Uganda and their relationship to major farming systems. National Agricultural Research Organization, Kampala, Uganda. Mimeo. (Presented at National Workshop on Policies for Improved Land Management in Uganda, Kampala, June 2001).

Sserunkuuma, D. 2002a. Land management problems and potentials in the Lakeshore intensive banana-coffee farming system. Paper presented at the Conference on Policies for Sustainable Land Management in the East African Highlands, UNECA, Addis Ababa, April 24-26, 2002, and at the second National Workshop on Policies for Improved Land Management in Uganda, Africana Hotel, Kampala, April 17-18, 2002. Mimeo.

Sserunkuuma, D. 2002b. Common property and collective action in natural resource management: The case of Doho rice scheme in Tororo district, eastern Uganda. Paper presented at the second National Workshop on Policies for Improved Land Management in Uganda, Africana Hotel, Kampala, April 17-18, 2002. Mimeo.

Sserunkuuma, D., R. Babigumira and B. Abang. 2001. Coping with the problem of low and declining agricultural productivity in the banana-coffee lakeshore system. Makerere University, Department of Agricultural Economics, Kampala, Uganda. Mimeo. (Presented at National Workshop on Policies for Improved Land Management in Uganda, Kampala, June 2001).

Sserunkuuma, D., J. Pender, and E. Nkonya. 2001. Land management in Uganda: Characterization of problems and hypotheses about causes and strategies for improvement. IFPRI, Environment and Production Technology Division. Mimeo. (Presented at National Workshop on Policies for Improved Land Management in Uganda, Kampala, June 2001 ).

Woelcke, J., T. Berger and S. Park. 2002. Land improvement and technology diffusion in Uganda: A bioeconomic multi-agent approach. Paper presented at the Conference on Policies for Sustainable Land Management in the East African Highlands, UNECA, Addis Ababa, April 24-26, 2002, and at the second National Workshop on Policies for

Improved Land Management in Uganda, Africana Hotel, Kampala, April 17-18, 2002.  
Mimeo.
